

Summary submission form

Instructions

You may send us your submission...

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: we are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

No anonymous submissions will be accepted.

Questions

1 Do you have any comments on the major projects in our draft Our Community Plan? page number **4**

Discretionary Projects.
Consideration should be given to including the Halswell Library in the "Priority" list.
A 10 year or more expectancy ~~is~~ before plans are formulated is unrealistic when the rapid housing development is taken into account.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number **11**

That consideration be given to retaining the libraries at Redwood, Spreydon and Bishopdale and the services of the mobile library.
If the libraries are closed, then the route of the mobile library should be extended to cover the communities disadvantaged by closures.
With an ageing population and increased transport costs it is essential that these services be maintained and enhanced.

3 Do you have any other comments or suggestions you want to make? page number **13**

If savings have to be made then I suggest that any further alterations to the narrowing of minor street access to main roads be stopped. These alterations contribute to congestion of traffic on main roads attempt to turn into side streets and are a possible cause of rear-end collisions.
