Questions

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Our Community Plan? page number **9**

When contrasted with the estimated savings from the proposed closing of libraries, the withdrawal of the mobile library, & the closing of five swimming pools, the estimated amounts to be spent on e.g. a fitout for new Civic Offices & the Botanic Gardens project seem quite excessive & unnecessary.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number **9**

This Council's priorities seem very strange when it obviously considers comfortable office chairs & a magnificent Visitors' Centre in the Botanic Gardens much more important than the welfare & education of our children.

3 Do you have any other comments or suggestions you want to make? page number **8**

The outlook is very poor for a city which is not prepared to spend money on providing educational & outdoor recreational facilities, & swimming pools in places easily & safely accessible to our young people.
