Questions

① Do you have any comments on the major projects in our draft Community Plan? page number **8**

Please do not close Redwood or Bishopdale libraries. They are very important facilities in growing communities. Redwood library is the closest library to the new and growing developments like Redwood Springs and Northwood. Redwood is located between a retirement village and two preschools/early childhood centres. All of these neighbours really depend on the library, as do Northcote and Redwood (cont.)

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number **9**

primary schools. For some children in our area, many of whom are from immigrant families in a lower socio-economic bracket, Redwood library provides possibly the only access to books they have, as their families can't afford to buy books or to travel across town to another library.

③ Do you have any other comments or suggestions you want to make? page number **8**

Money could be saved in the libraries by reducing the temperature of the central heating in all libraries. It is always far too hot inside them and I'm sure this step would cut costs.

Dear City Council

Please don't close

the library. I like

getting books out

there. If you do, we

would have to go to

Papanui, which is quite

a long way away. I can

bike to Redwood by

myself but I can't bike

to Papanui. My

favourite books are the Fintin

and Asterix books. I also
like the Famous Five books.
I can't find Famous Five
books easily at Papanui.

Dear City Council

Please don't close the

Library because we

go to it. I like getting

books out. I like playing

with the toys and playing

on the computer.

My favourite books are

The Elf Books.
