It will help us if your submission also refers to the page of either the full version or the summary version.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 8

Mobile Library: This service has been a lifesaver for myself & my son, when we went to a single car family. The mobile service is the only library within walking distance of our home, and comes with the added bonus of being a 'village' style library - we know all the other users by face, chat about books in a more friendly environment than the bigger libraries. The staff are very welcoming and can assist my son on his books & reading material in a relaxed manner. My son loves greeting the bus, the librarians & the other library users every Monday morning. Our week will not be the same without the mobile library. Please do not withdraw this service - it is a truly treasured service.
