Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number

Handwritten response area for question 1, consisting of several horizontal lines.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

The proposal to close Redwood Library is a shock to Redwood residents including myself, my wife and our family. The library is the main leisure centre for the Redwood district. To close the library appears a contradiction of the stated aims of the council.

*"Cultural & Learning Services": Customer Satisfaction with the library service.
"Recreation & Leisure": More customer visits to leisure centres.*

3 Do you have any other comments or suggestions you want to make? page number

*If the council wants strong communities they require high quality learning centres like Redwood Library.
It is easily accessible to all residents and is a significant learning centre.*
