Your Submission:

Do you have any comments on the major projects in our Draft Community Plan?

I do have a number of comments that I wish to make on the Draft Plan. I have a Specific Learning Disability and it would be easier for me to present my comment in detail verbally. However at this stage I wish to state that I have objections to the closure of suburban libraries, pools and the mobile library. The main problem as I see it is the way in which council promotes these services. Often only the high profile facilities are promoted with little or no information on local facilities thus contributing to low levels of patronage. I wish to go into detail in a verbal submission

Do you have any comments on groups of activities (The activities and services the Council provides?)

Do you have any other comments or suggestions you want to make?
