Your Submission:	<p>Submission re draft Our Community Plan</p> <p>Submission on behalf of the <u>Canterbury Area of the NZ Machine Knitters' Society</u></p> <p>Membership 72</p> <p>We do not wish to present our submission at the hearing and ask that this written submission be considered.</p> <p>Refers to Summary version page 8</p> <p><u>We strongly object to the proposal to close the libraries at Redwood, Bishopdale and Spreydon and the withdrawal of the mobile library.</u></p> <p>The presence of these suburban and mobile libraries makes library access available to most residents who do not have major mobility problems.</p> <p>Although still active, many of our members are senior citizens; some do not drive and are dependent on local services, including the libraries, or have to use public transport for visiting areas beyond walking distance from their homes. They are very upset at the thought that these local facilities may be closed.</p> <p>Submitted by H.B.Angus 166C Rossall Street Christchurch 8001 Phone 355 3030 Secretary, Canterbury Area NZMKS</p> <p>Email address: hangus@ihug.co.nz</p>
