Questions

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Community Plan? page number **8**

As a teacher who works in the local Bishopdale area. I object to the council closing the Bishopdale Library. The local schools use this library as a learning tool, with visits, homework researching & internet access. This is a valued part of the community & schools. I believe it would be a great disservice to the Bishopdale area if you closed it. Many children would be unable to travel to Paparua library safely as their are many main roads to cross, plus the train line close by.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

Handwritten response area for question 2, consisting of several horizontal lines.

3 Do you have any other comments or suggestions you want to make? page number

Don't shut the Bishopdale Library.

Handwritten response area for question 3, consisting of several horizontal lines.
