Your Submission:

Do you have any comments on the major projects in our Draft Community Plan?

I want to register my objection to any decision to stop the Mobile Library Service that I use constantly. They provide a wonderful service. Surely it is in the Council's interest to provide this convenience for the ratepayers that support it.

Do you have any comments on groups of activities (The activities and services the Council provides?)

Do you have any other comments or suggestions you want to make?
