

Summary submission form

Instructions

You may send us your submission...

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: we are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

No anonymous submissions will be accepted.

Questions

1 Do you have any comments on the major projects in our draft Our Community Plan? page number 8

Please do NOT close any libraries - they are vital to both the community + to encouraging learning.

1 Economies can easily be made - ie. do not purchase so many copies of books - far too many books in pristine condition are sold cheaply at the library sale.

2 Limit the number of books one may borrow - the library loses would reduce.

3 Develop a no tolerance for overdue books, with no further issues until all books etc. returned

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 7

4 Do not allow debts to accumulate - if money is owing, don't allow borrowing.

5 Parklands library has a very small number of books available + there is a dearth of comfortable seating for mature adults. Also - its noise levels are often intolerable

Keep all pools - for fitness & recreation. Encourage community assistance in pool maintenance, supervision, etc. The more volunteers involved the stronger the sense of community.

3 Do you have any other comments or suggestions you want to make? page number 7

City Development.

Instead of trying to alleviate car traffic, why not encourage foot traffic?

Cheap fares at off peak bus times would encourage patronage + this could lead to rejuvenating shops in the central city.

Often I have been in the bus (city to Tumara Park) with fewer than 5 passengers. Much better to reduce the fares + encourage use (off peak only).

For office use only
