Your Submission:

Do you have any comments on the major projects in our Draft Community Plan?

Retaining Mobile Library. A high level of borrowing, pg11, should be maintained to give people the every opportunity to be well educated and contribute to the city and country. The mobile library assists here. The service costs are minimal.

Do you have any comments on groups of activities (The activities and services the Council provides?)

Encourage swimming in the sea, which is free. More encouragement for walking to relieve traffic congestion. Less advertising opportunities for alcohol at sporting events. Sporting events can be encouraged, but it is a leisure choice. More encouragement in educational areas would be more productive.

Do you have any other comments or suggestions you want to make?

Thanks Council, we have a great city. Encourage developers to make more 'city living opportunities' at reasonable cost. A person who is afraid of dogs, would be quite happy to see a dog in a public place wearing a muzzle, (horses wear bridles!) cheap, easy to monitor. Worth a try.
