Questions

① Do you have any comments on the major projects in our draft Community Plan? page number

NO.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

I oppose the closing of Redwood, Bishopdale & Spreydon libraries as it is essential to maintain these services for the suburbs they serve. Everybody has a use for a library whether to borrow books, childrens homework, seeking employment, use of reference books (don't have them at home), use of computers, internet & printer. (my computer isn't working - can't afford at moment) Public information, clubs, societies, pre-school groups / educational purposes, school groups etc.

③ Do you have any other comments or suggestions you want to make? page number

Suburban pools are also needed especially if schools don't have their own for use. Important part of school - swimming lessons and physical education. Need another pool in the Northwest area which has expanded rapidly.
