## Instructions

### Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

## Questions

① Do you have any comments on the major projects in our draft Community Plan? page number 16

A pool and gym facilities would be fantastic to have in our local area. The nearest gyms to us are not council funded and therefore cost a lot more to access. We are members of QEII gym, but often don't make the effort to travel there especially in the winter months. I would certainly support a local council gym at Northlands.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number 8

I believe it would be a great shame to see the closure of our local library. We use it often. Being a primary teacher, it is valuable for researching resources and relevant material. It has a great community feel and many local residents use it, who would be unable to travel libraries further afield.

③ Do you have any other comments or suggestions you want to make? page number
