Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number

Libraries are essential for developing communities and it is not good to have them so far that they can only be reached by car. Children, senior citizens and many others cannot do things by car and rely for information & pleasure on local libraries however small. Mothers without cars rely on books for educating their children.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

The Sunnyside programmes are excellent & floral festival. The bus service with the orbiter & metro excellent as well as the service to the airport & the bus exchange brings visitors into the city from train stations, airports etc.

Car parks very good near central library

3 Do you have any other comments or suggestions you want to make? page number

The central bus station needs upgrading - I would not like to wait there at night - it feels unsafe
