Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number 8

Keep all libraries open as they are important to the communities they serve. Often the serve a community with many senior citizens. I believe libraries are valuable places. Libraries are wonderful places. None should remain open and charges should remain the same.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 8

I believe all of Christchurch libraries should remain open. With rising fuel costs people won't be able to go to another library out of area. Some citizens may find it difficult to move to another library or may not be able to go after libraries will stop due to transport, mobility etc. I also strongly believe that all libraries remain open that all library charges stay the same.

3 Do you have any other comments or suggestions you want to make? page number 8

Keep all libraries open no matter what!

You may add more pages if you wish. Thank you for your submission.
