

Summary submission form

Instructions

You may send us your submission...

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: we are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

No anonymous submissions will be accepted.

Questions

① Do you have any comments on the major projects in our draft Community Plan? page number

USING NZ POST FOR COUNCIL PAYMENTS

The present method has served ratepayers well - a quick and easy, cheap method. Some post outlets are tiny and very congested at times eg. Shirley outlet. Queues often spill on to the footpath outside - a hot, or cold and extremely frustrating experience. If sub-agencies are closed even more rates could become outstanding.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

Closing of pools and recreation centres

Learning to swim is so important to children & adults; and many children & adults are too poor and too far from these facilities to get use of them. Retaining sites - not selling off are vital for serious upgrading or building of new pools. Land is so expensive and it will become impossible in the future to purchase it for these sorts of activities.

③ Do you have any other comments or suggestions you want to make? page number

Reducing issues of Council's publication CityScene

Certainly reduce the issues by half and get the issue itself reduced to 1 page. People lead busy lives and don't have time to read them. Definitely uneconomic and self-congratulatory. Cut to the chase (what has been done & what is in the pipeline)

LIBRA & CLOSURES

includes mobile library

Mar Press 2006

1, Monarch Lane,
Christchurch 6

Dear Sir/ Madam,

I would like to remind our councillors that Christchurch is a University city which hosts and educates students who come from all over New Zealand and the rest of the world. It is crass and also short-sighted from an economic point of view even to consider closing any libraries. For the frail, elderly and disabled the mobile library is often their only pleasure or contact with the outside world.

Scrap anything frivolous if it is necessary but leave us our lifelines.

Barbara Anne Warren.

UN-EDITED VERSION

EG. FRIVOLOUS: LIGHTING OF CATHEDRAL. NOT RATEPAYERS RESPONSIBILITY. ONE EXTRA LIGHT IN SQUARE WOULD DO.

REDUCTION OF COMMUNITY HALLS

IN SOME AREAS THESE ARE FEW SO THIS NEEDS TO BE LOOKED AT CAREFULLY: RENOVATION AND NEW CHARGE-OUT FEES COULD IMPROVE ON POOR USAGE RATES
