Instructions

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

Questions

See list of major projects in the summary document

group services and activities

① Do you have any comments on the major projects in our draft Community Plan? page number

I would like The Council to please reconsider closure of public library branches and mobile (book bus) services. Suggested savings would erode social capital and remove valued, and well used, community spaces. A distributed library network continues to serve Christchurch well and surely performs well by NZ and international benchmarks - membership rates, circulation stats, walk in use, cost per citizen etc.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

Blank lined area for handwritten response to question 2.

③ Do you have any other comments or suggestions you want to make? page number

possibly reduce to size of the online version of the draft plan next time. A bit big for non-broadband downloads!

(nice spread at the consultation meeting)

Blank lined area for handwritten response to question 3.
