Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	I oppose the closure of public libraries because local libraries are a very positive community service. I am particularly concerned with the access for older people, people with mobility handicaps and parents with young children and those on low incomes. We should be encouraging people to use libraries not making it more difficult to do so.
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Do you have any other comments or suggestions you want to make?
