**Do you have any comments on the major projects in our Draft Community Plan?**

I object very strongly to the closing of the Redwood and Bishopdale libraries. I do not like the Papanui branch even though it is closer. I lived in Bishopdale and joined the library there when it first opened. I have been a member of the Christchurch and Selwyn libraries. You should go and see how many older people use these two libraries. A lot cannot travel far and to be honest, they shouldn't have to. The libraries are a meeting place, especially in the winter, when it is nice and warm in the library. With power and fuel costs spiralling out of control, surely you can have a bit of heart and think of these people and leave OYUR libraries alone.

**Do you have any comments on groups of activities (The activities and services the Council provides?)**

**Do you have any other comments or suggestions you want to make?**
