Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	I would like to strongly urge that the Bishopdale library NOT be closed. It is a valuable part of the lives of many families and older people, and it should be kept open.
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	I have just retired and moved to Christchurch to be near my family. One reason that I chose to purchase a unit in Bishopdale is that it is a quiet area and there is a library and shopping centre nearby. The Bishopdale library is much more accessible than the Papanui Library, which is close to a very busy area and a lot of traffic. The older people in the community use the libraries a great deal, and we do not want to lose our community library. Please do not close the Bishopdale library!
	Do you have any other comments or suggestions you want to make?
