Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	No
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Yes. I am really shocked that the council considers to close some libraries. The libraries are very important to me. I have come to New Zealand 2 years ago from Thailand and I must improve my English every day. At the libraries I can borrow the English study books and tapes. They are very expensive for me to buying. So it is better that I can borrow them and study at home and learn. My boss wants me to get better English so it is important for my life that the libraries are all open always and I can use them. Please change your mind and keep libraries open all over Christchurch. There are many other people like me from different other countries now live in Christchurch. We all need the libraries.
	Do you have any other comments or suggestions you want to make?
