Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	I object to the proposed closing of the Redwood Library. It is unbelievable that the whole idea of closing the Redwood, Bishopdale and Spreydon Libraries was ever on an agenda. The fact that this was announced after the erection of the new libraries certainly suggests the Council operates on hidden agendas. I would expect the Council to have consulted on the issue of closing libraries prior to the building of the new libraries. If this is the way the Council wants to operate, it is certainly time for a change.
	Do you have any other comments or suggestions you want to make?
	With recent increasing evidence that fluorodation of water has far more serious negative health effects than previously thought, I totally oppose fluorodation of the city water supply. Although not specifically mentioned on Page 20 (water supply) I hope that there is no hidden agenda on this issue.
