Your Submission:

Do you have any comments on the major projects in our Draft Community Plan?

Do you have any comments on groups of activities (The activities and services the Council provides?)

I wish to add my objections to the proposed closure of the Redwood and Bishopdale libraries.
I use both these facilities frequently and consider the closure of these libraries would remove the hub of the community. I feel strongly that the council needs to retain the libraries as they are a way of continuing to support the surrounding shops and businesses. Not to mention problems with the ease of use/parking issues with alternative libraries situated near large malls. Not everyone likes to visit and support large shopping malls when at the local shops people know and recognise you and you feel that you belong in your community.

Do you have any other comments or suggestions you want to make?
