Do you have any comments on the major projects in our Draft Community Plan?

Do you have any comments on groups of activities (The activities and services the Council provides?)

PLEASE do not cancel the Mobile Library. This service is an absolute necessity for us out here and it's a hub for our community. Many of us meet there, not only to borrow books. As a child I grew up in the country and we never had access to a library, it is only recently that I have been able to familiarise myself with how a library works at 40 years old. I want so much more for my children. They absolutely love the Mobile Library. It not only teaches them how a library works, but how to care for books that aren't theirs and organisation... not to mention the information they glean from the pages which is endless. So many families can't afford to buy books for a home library (us included) and with petrol prices rising, travelling into town is becoming very costly also. So PLEASE PLEASE don't take the Mobile Library from us.

Do you have any other comments or suggestions you want to make?
