## Questions

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Our Community Plan? page number 4

I strongly object to amount allocated for Bus Exchange & Civil Offices & Civil Defence building. Further discussion should be entered into with us - the ratepayers - having a say, as we will be paying for these.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 8

No-way should any libraries be closed. Revisit & discuss with the community proposal of closing Sockburn pool & Recreation Centre. Also the suburban pools are really needed & could be revived by public support.

3 Do you have any other comments or suggestions you want to make? page number         

We need to know our Councillors - not just hear from them when changes are happening in our backyard. Listen to the people you represent after all we are the ones paying you!!
