

Our Community Plan Submission Form

Instructions

Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: We are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

No anonymous submissions will be accepted.

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Community Plan? page number 109

Democracy and Government
Democracy, taken too far causes people rule shambles.
Council need clear governance. Consultation is good but we can't have a wish-list. We need basic needs of waste, water, transport and health as first priority.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 97

Housing - a very good service but review of tenants / income needed two yearly. Some people can't afford other accommodation

p. 163. Water Supply - V. good - please continue to supply without fluoride
Fluoride tablets need to be available to those who want/need them.

Continue monitoring metres and charge for excessive use by private or business users. A reminder of amount used etc mid-January would be useful.

3 Do you have any other comments or suggestions you want to make? page number

1 Bus Traffic. Welcome faster bus services. Papanui Rd - Main Mt etc. Ideas - Keep roads clear of parking - at least ^{partly} either side of Bus Stops. Better construction of pedestrian islands eg. opposite Northlands - bus cannot move far left & proceed to bus stop. Improve times of travel = higher bus patronage.

2 Bus drivers often more practical than consultants

3 Carless days would improve car pooling & for bus patronage. We cannot improve traffic

congestion when most cars contain one occupant

You may add more pages if you wish. Thank you for your submission.

4 City boundary car parks serviced regularly by buses on time

5 Increase number of inner city shuttles during school holidays please.

✓ Children can only attend their zoned school. Provide a bus for each zoned area for pick up + deliveries. Suggest a trial where traffic congestion is bad.
