See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Our Community Plan? page number

P13 Can the CCC assist new migrants whose first language is not English with job information & better employer willing to assimilate these people?

Could the CCC in association with Housing NZ grant an amnesty 1 day a year for State Heron tenants to put big "rubbish" on the pavement for collection [rather than accumulate it in the back yard!]

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 10

Rather than prop up a Hei Hei Residents' Association (run by old men!) I would urge the Riccarton-Wigram Community Board to fund a 6-month in-depth social needs survey of all Hei Hei residents as to their perceived needs and problems. We have many disadvantaged children (at least 1 school) from families with inadequate parenting skills (& probably dysfunctional relationships). We need authentic and sympathetic research to be done for this neglected area.

3 Do you have any other comments or suggestions you want to make? page number 15

The redevelopment of Jellie Park on a par with QE2 complex is needed on the west side of the city. We need to look ahead to the health & recreation needs of an ageing population.

I seriously doubt the value of cold outdoor pools at primary schools (& used 2-3 months p.a.)
