Your Submission:	<p>LTCCP submission</p> <p>We write to oppose any future funding for the Central Plains Water Trust or Central Plains Water Ltd by the Christchurch City Council, CDC, CEDF, CHL or any other CCC entity.</p> <p>We are very strongly opposed to the privatisation of water resources, and we see CPW's proposal as a very clear move in that direction. We believe that there are other options available to solve the water problems of Canterbury. We request the opportunity to speak briefly to our submission.</p> <p>Bertha and Robert Tobias 26 Gilmour Terrace, Lyttelton</p> <p>Tel 328-7538 Email: rbtobias@xtra.co.nz</p>
