Questions

- ① Do you have any comments on the major projects in our draft Our Community Plan? page number
- Council must protect public ownership of water supply so that it doesn't follow privatization of electricity supplies.
- I still object to the new CCC offices & the cost of this project 17.2 million for free renewal seems excessive!
- Sense of community ever diminishing as the city spreads further. Snellings drain the golf club benefits presumably why don't they contemplate New entrance way at QE 2?!!
- ② Do you have any comments on groups of activities (the activities and services that Council provides)? page number
- I object strongly to the excessive use of fireworks to end an event & there seem to be increasing use of this. And then you propose closing libraries - 3 in the same area.
- When I was telephone surveyed a few years ago for my opinion of the CCC, I was complimentary.
- I would not be so today.
- I think Cathedral Square is a disgrace. I believe free parking for shoppers must be extended or the city will further decline.
- ③ Do you have any other comments or suggestions you want to make? page number
- The Council sets laudable ^{if obvious} goals, then by dissention within the ranks diminishes any respect ^{ing} citizens might have had. From receiving an award ~~from~~ for good governance the governors have dragged down the image of CCC.

Where planned Victoria Square could be asked to advise on Cathedral Sq. It is grey gloomy & uninviting. The sculpture is good but doesn't fit where it is
