## Questions

① Do you have any comments on the major projects in our draft Community Plan? page number

Riccarton Library Inc. is most concerned regarding the once again proposed closure of Riccarton Service Centre. As a voluntary Neighbourhood Library, the Centre is an important and integral part of our service to the Community. Riccarton Service Centre, over many years, has been our support, being the holder of keys for volunteer staff, safe keeping of monies, out-of-hours return of books and our appreciated free photo-copying service and mentioning also the friendly and helpful staff.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

③ Do you have any other comments or suggestions you want to make? page number

If Councillors have ever had to visit Riccarton Post Shop for business purposes, surely they have noticed the long queues - sometimes extending out to the pavement - disquiet and distress has already been expressed to Library Staff, by especially the elderly, to this suggestion
