It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

Questions

1 Do you have any comments on the major projects in our draft Our Community Plan? page number 4

New Bus Exchange - The existing Exchange is often mentioned on Police Radio as a trouble-spot. How will you avoid similar problems with the new exchange? \$59.5m. - Huge expense!

Botanic Gardens Project - An overly expensive, and non-essential plan. I would rather see \$11m spent elsewhere. I feel locals & tourists visit the Gardens to walk around them, not stand in yet another Info' Centre. Put it off the agenda.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 8

Proposals to Save Money
Closing suburban Libraries is a REALLY BAD IDEA and will achieve such minimal savings. Don't take away these excellent educational & recreational facilities - young families, and the elderly in particular, value these close-to-home services. Low-income people will be deprived of a modest-cost, easy-to-access facility. The local library is a social focal-point & information dispenser in the community.

3 Do you have any other comments or suggestions you want to make? page number

This Draft Summary is well produced, and nodoubt very expensive, but at first glance it looks too wordy, and is not easy to assimilate. I believe many copies will be abandoned to the WPB. Something simpler would suffice. I like the 'What Do We Want

'How will we achieve
'What will it cost
but the section 'What achievements will show our success, I feel is unnecessary
