Attention: Mayor and Councillors.

Dear Garry, No doubt you would agree that the children of Christchurch are our future. The reason I emphasise this is that for some reason you are planning to close down many of our local out-door pools which provide such fun and recreation for Christchurch young people.

Considering the millions being poured into some projects for adults in the community, I'd like to speak up for the children of our city, as the maintenance of these pools are only a few 100,000 each year. Surely that's a small price to pay for the enjoyment of our young people

and families.

Yours sincerely,

Ratepayer,

Rosalinda Southgate.
