Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number

I have just shopped around for an exercise centre that has a good timetable of classes etc aerobics, pilates - circuit etc. I live in the inner city with an increasing density of people. I visited -

- 1 contours gym - too expensive - good facilities - women only.
- 2 Olympikus gym - too expensive - 'shady' facilities.
- 3 Crighton Cobbers - very cheaper - voluntary instructors - few classes.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

4 Centennial leisure centre - Good price - nice facilities - great pool. Good gym equipment - getting too crowded in the peak times. Only has aquaerobics classes. This centre has a decent sized piece of grass which is not utilised. I would love to see a gym built on this area for the purpose of aerobic classes. I would be prepared to pay more for this facility. Classes would ease the pressure from the weight room & increase membership. It's proximity to the city would mean workers being able to do lunch time classes as well.

3 Do you have any other comments or suggestions you want to make? page number

There is rather a long drive to the CCC's other leisure centres which do have classes. It would be prudent to improve the existing rather than build new. Hoping for some serious consideration. Nicki 😊
