① Do you have any comments on the major projects in our draft Community Plan? page number

Stop funding a lot of entertainment (a lot of which is not relative to anyone) and get back to basics: core services.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

libraries & in particular the mobile library should remain. If the mobile library closed I should have to use petrol (if I still had a driving licence) to drive to a library thereby not helping with the cities clean air or go without library books altogether.

③ Do you have any other comments or suggestions you want to make? page number

There are too many consultants used. Decisions should be made by councillors if possible - that's what they were elected for. Millions of dollars are wasted ~~that way~~ for nothing with consultants.
