Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	As a netball club the committee wish to support the submission by the Christchurch Netball Centre to move the netball courts and facilities to Addington. The present facilities are dangerous due to the courts being too close together which results in over-crowding with spectators around the courts. The surface of some of the courts is also deteriorating. Car parking is also an issue which is affecting the neighbours.
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Do you have any other comments or suggestions you want to make?
