

# Summary submission form

## Instructions

You may send us your submission...

### Please read before completing your submission

It will help us process your submission if you clearly state the issue you want the Council to consider, what specific action you think the Council should take, and why that should be done.

If you wish, you can present your submission at a hearing. (If that is the case, please tick the box). The hearings will be held between Thursday 25 May and Wednesday 7 June 2006. Generally, 10 minutes are allocated for hearing each submission, including time for questions.

It will help us if your submission also refers to the page of either the full version or the summary version.

Please note: we are legally required to make all written or electronic submissions available to Councillors and to the public. This includes the name and address of the submitter. All submissions will be published on the Council's website from 10 May 2006.

No anonymous submissions will be accepted.

### By mail

Please mail your submission (no stamp is required) to:

## Questions

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Our Community Plan? page number

I oppose the closure of the outdoor pools in Chich & in PARTICULAR the EDGENWARE POOL. I swam there as a child, and my own 4 children have wonderful memories. An outdoor pool is very different from the indoor facilities. The council is concentrating on funneling everyone in to these. I querie the financial viability of closing this Pool.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

The council is obliged to provide a CHOICE of swimming facilities, not just indoors. There are many people who cannot tolerate the chlorine & noise levels of indoor pools.

3 Do you have any other comments or suggestions you want to make? page number

The St Albans Pool is a community facility. It is important for social contact. It is easily accessible by foot or bicycle for many children. It is more than just a place to swim. It is a whole day experience. Parents can take a book & a picnic.

I think the pool is repairable & this option is way cheaper than building a new one.
