Questions

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Our Community Plan? page number 8

I believe that closing the 4 suburban outdoor pools is a huge mistake & will impact severely on those communities involved. These pools do more than offer local people a place to swim. They are a place to meet, network with, and support the people that live in that area. Local children & young persons have something to do, & a safe place to do it. Families can enjoy affordable & essential learn to swim lessons. The picnic areas are also very well used. The local schools ^{children} benefit greatly from these pools as swimming lessons are incorporated into the curriculum.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 15

The indoor aquatic leisure centres in my opinion are a false environment. They are noisy, big, impersonal, & hard to get to. They do not cater to a family experience. Swimming lessons are expensive therefore exclusive.

3 Do you have any other comments or suggestions you want to make? page number 8

I believe that the current trend of high youth crime rates & suicides, & the high incidence of the breakdown of the family unit is of major concern to our future. The closure of community based meeting places ^{ie pools} is ensuring that this trend continues.
