Questions

1 Do you have any comments on the major projects in our draft Community Plan? page number 8

I wish to submit my concern & disappointment at the closing of outdoor community swimming pools & Edgeware Pool being the pool I and my 3 children use and have used for a number of years. I also have memories of biking to the pool for a swim more than 20 years ago! I was disappointed this last season when I went to pay for the swim and was told 'no charge'. I questioned

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number 12

this and was told 'it wasn't worth' collecting the entrance fee! Surely if you have people coming to the pool & are willing to pay for the pleasure the moneys collected could be used!

I don't go to closed pools with my children. I find fresh air & a good book read poolside a much more pleasing prospect to a stuffy / noisy / chemical smelling environment. We have enjoyed many picnics poolside and have been able to spend entire afternoons at the Edgeware pool. As a spectator I hear at somewhere

3 Do you have any other comments or suggestions you want to make? page number 12

like QE2 is more than enough for me!
Indoor pools have their place. esp in winter, but to close our community pools would take away our choice. Please keep our community pool open.
