Questions

See list of major projects in the summary document

① Do you have any comments on the major projects in our draft Our Community Plan? page number 15

Our school fully supports a new pool for residents in the north of the city. I believe the proposal involves a covered aquatic centre, like Pioneer, built on Papanui High School ground. This would be superb as a local venue for our school's swimming programme and swimming school sports.

② Do you have any comments on groups of activities (the activities and services that Council provides)? page number 10

As a school we fully support the community support activities on page 10. In particular, we wish to stress that the Field Worker in Schools programme funded by the CCC through the FAST Trust is a vital link to support children and their families. We have had very successful results from the programme and the personnel involved. Please continue funding this excellent resource.

③ Do you have any other comments or suggestions you want to make? page number

Congratulations on a detailed and very well presented draft summary.
Good luck!
