	Do you have any comments on groups of activities (The activities and services the Council provides?)
	<p>The Friends of Edgeware Pool strongly oppose the closure of Edgeware Pool and the other suburban pools throughout Christchurch. We believe the council is not acting in good faith, by not listening to the needs and concerns of their affected rate payers. We believe that this proposal of closure strongly contravenes many of the councils own policies which are due to set the direction and work for the future of Christchurch.</p> <p>We note that the proposed identified savings of \$130,000 are inconsequential when compared to other major projects planned by the council. Whilst this cost to the council may be saved it will pass on to children and rate payers extra costs for swims and travel.</p>
	Do you have any other comments or suggestions you want to make?
