<b>Your Submission:</b>	<b>Do you have any comments on the major projects in our Draft Community Plan?</b>
	<b>Do you have any comments on groups of activities (The activities and services the Council provides?)</b>
	Most of the Councils proposed services and activities reductions are an affront to Christchurch citizens. When councils were first set up their core services were to be libraries, rubbish, water, roading, transport etc. The proposed closing of the Redwood and Bishopdale libraries and withdrawal of the mobile library service saving is minimal. Council could save in other areas of their spending e.g. trying to set up a festival in October of a year against an already successful one.
	<b>Do you have any other comments or suggestions you want to make?</b>
	If parking charges are to be increased how are the council going to attract people back to the city centre?
