Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	I wish to support the Council objective of support and bidding for hosting sports events. I think that the Council should be doing all it can to encourage the organisers of the World Rugby Cup 2011 to, at the very least, have a semi final game at Jade Stadium. Remeber how much the Lions Tour brought to the City? Not only a great game of rugby but huge numbers of visitors with the spin off for providers of tourist activiites eg. accommodation, bar and cafes, rental cars. The City was buzzing and it was a really fun place to be.
	Do you have any other comments or suggestions you want to make?
