Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	I would just like to say, i think it is unfair to expect levies to be paid on up lift of building consent. These should be paid when code compliance or 224 is issued. None of these services are in use on site, up until possession of properties
	Do you have any comments on groups of activities (The activities and services the Council provides?)
	Do you have any other comments or suggestions you want to make?
