Questions

See list of major projects in the summary document

1 Do you have any comments on the major projects in our draft Our Community Plan? page number

Wishing to object to the timing of payment of the Development Levies at the uplift of Building Consent or issue of Subdivision Consent.

We believe that this is unfair and that the levies should be paid at application of the Code Compliance Certificate or Section 224(c) Certificate.

2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

This would provide a fairer approach by the Council as requiring payment upon issue of the consent means the Council may have the money for up to 5 years before the development is completed (and getting interest).

Our proposal would appear fairer - the Council would get the levies just prior to when the extra units or lots are created and therefore using or requiring the extra infrastructure.

3 Do you have any other comments or suggestions you want to make? page number

Multiple horizontal lines for writing additional comments.
