Your Submission:	Do you have any comments on the major projects in our Draft Community Plan?
	<p>Streets:Footpaths:</p> <p>I feel that some streets in Christchurch are very unsafe for all transport that uses them, for example.</p> <p>Picton Street in Riccarton has been narrowed between Riccarton Road & Peverel Street.</p> <p>Puhara Ave in Burwood is very narrow with garden plots placed on the road! I have seen children cyclist nearly injured on this road, its very dangerous.</p> <p>Wainoni road has a new footpath why do we need to put a garden plot through it. The wide path is great until you have to give way to other pedestrians & no doubt the cost was not needed let alone the vandalism to plants etc.</p> <p>To have cyclists want to & feel safe on our streets we must create width for them. The benefits are huge, Mum & Dad with children cycling together, its a great sight to see but its so uncommon. There must be thousands of bicycles laying in Christchurch garages . We are reminded daily of the need to save on energy costs let alone the need to spend quality time with our familys.</p>
	Do you have any comments on groups of activities (The activities and services the Council provides?)
