Questions

- ① Do you have any comments on the major projects in our draft Our Community Plan? page number

I find it extraordinary that "Refitting Council Offices" is of higher priority (essential projects) than for eg, "central City Transport Projects", "school safety zones", "City Mall Renovation".
Refitting offices at the expense of the above is a disgrace.

- ② Do you have any comments on groups of activities (the activities and services that Council provides)? page number

The Red Bus & Public Transport system has improved considerably and is good value.
It must be developed further with a new exchange and more inner city electric buses.
Red Bus must not be taken from the Council's list of strategic protected assets.

- ③ Do you have any other comments or suggestions you want to make? page number

listen to your community in relation to the Port of Lyttelton Company and your investments.

I would like to see the Port remain in public ownership until a thorough community consultation has been undertaken and proposals fully understood.

You may add more pages if you wish. Thank you for your submission.
