<b>Your Submission:</b>	<b>Do you have any comments on the major projects in our Draft Community Plan?</b>
	This is a general plea to the council to stay mindful of the human factor in decision-making, rather than letting the mighty dollar rule; ie please retain such incalculably precious facilities as our local libraries, cycleways, reserves, community gardens, etc.
	<b>Do you have any comments on groups of activities (The activities and services the Council provides?)</b>
	I am involved with the New Brighton Community Gardens and would love to see our co-ordinator Sue getting more support, financial and practical and moral - she does a great job. Also activities such as the Meurky walks are marvellous for letting us see our beautiful city in a new light.
	<b>Do you have any other comments or suggestions you want to make?</b>
I regularly catch the bus to work and play and think it is a great service. Even better, if it were free! because I think we need to do everything possible to encourage people to fall out of their private cars and on to public transport or bicycles.
