2 Do you have any comments on groups of activities (the activities and services that Council provides)? page number

Draft - Pg 18 ① "Park & Ride" To reduce traffic congestion - utilize (for eg) Riccarton Raceway or Westpac Trust Stadium or Addington Raceway for daily parking & have public transport shuttles from there - returning @ the end of the day

② Bus lanes only - Peak traffic times on Riccarton Rd, Blenheim, Paparua - have two only lanes - as per Wellington from 7:00am to 9:00am & 3:30pm to 5:30pm

③ Cycle lanes - remove these from major arterials (Riccarton & Blenheim) use rail corridor perhaps - Cycling down Riccarton or Blenheim Rd @ peak times is a dice with Death.

Draft - Pg 8 ① Retain mobile library - as population gets older this will become more important

② Before closing any swimming pools - can the new one be built & opened first?

3 Do you have any other comments or suggestions you want to make? page number

Draft Pg 18-19

New Development / Sub Divisions & housing in Wigram / Prebbleton / Templeton area + in Selwyn District. The Developers of these projects should pay something to the council to ensure that their new project is integrated fully into the surrounding infrastructure of roads, water, storm water etc to minimise added drain on CCC. Also they Develop roads to ensure new areas do not create added congestion & should be made to include Playgrounds - not just leave land for Council to develop.
