Your Submission:

I wish to support the submission of the Lyttelton Residents Association which seeks to retain funding in the Plan to develop an alternative road access to Lyttelton Port from the tunnel. Heavy trucks must be diverted from Norwich Quay as the volume of traffic is rapidly growing and holding back the development of the town.

Which principles and/or provisions of the Draft Amended Development Contributions Policy (DCP) do you support and why?

Which principles and/or provisions of the Draft Amended DCP do you oppose and why?

What exactly do you want the Council to do about the Draft Amended DCP?
