Date:

1/5/2007

Your Submission:

Pegasus Bay Coast Care

Annual Plan/LTCCP Submission to Christchurch City Council, Waimakariri District Council, Hurunui District Council & Environment Canterbury

1. Pegasus Bay Non-Statutory Coastal Plan

For the past year we have been involved with the working group to develop a Non Statutory Management Plan for the coastal zone of Pegasus Bay North of the Waimakariri River.

The working group is going to advocate for a paid Coordinator/Ranger. I would like to present a proposal to the Councils on this position and on management of the Coastal Zone of Pegasus Bay in general.

2. The nature & value of Coastal Sand Dunes

I wish to make a presentation on the role of New Zealand native sand binding plants in mitigating effects of sea level rise and providing a buffer against storm surge & tsunamis.

More details to be provided.

I wish to make this submission in person.

I request equipment to make a power point presentation.

Yours sincerely

Greg Bennett  
Chair  
Pegasus Bay Coastcare Network
